

Art Alley 2018

SEPTEMBER 20, 2018

DSI's Second Annual Art Alley Pop-up featured three local artists unveiling murals on the south side wall of Lincoln Place Apartments (the west side of Art Alley), as well as a one-night gallery showing of other local artists. Guests could pick up a brush to help create a Rt 66 community mural for the south wall. We served delectable appetizers from Augie's Front Burner and DJ Acid Dad Crash Pad spun the tunes. Curtain & Leaf donated pictures.
